

ATTENTION SENIORS

\$500

The IVC (In Val's Corner) scholarship is intended to provide financial assistance to learners who have and/or will join the fight against cancer. The scholarship was founded to foster continued support for cancer victims and their families. Such support was no more evident than during the 2021/22 school term when students, teachers, administrators, and staff bolstered Valerie Coffey; wife of teacher/coach Bob Coffey, through her battle with breast cancer. Eligibility requirements are listed below. Complete and submit the application ONLY if you meet ALL requirements listed. The scholarship is a one-time award of \$500. One award will be granted annually, unless a suitable recipient is not found among the applications. After declaring the annual winner; the scholarship award will be mailed directly to the college, university, or trade school chosen by the recipient. Mailing information will need to be provided by the winner.

REQUIREMENTS

- * Must be a graduating Senior at East Newton High School
- * Must be in good standing with the school district
- * minimum G.P.A 2.51 on 4.00 scale
- * taken the ACT or SAT test
- * enrolled in, or in process of enrolling in; a college, university, or trade school OR enlisted in a branch of the U.S Armed Forces
- * enrollment/enlistment plans centered around entry into health science or medical field

note: special consideration will be given to applicants that have experienced the effects of cancer personally or through an immediate family member
