YOUR RIGHTS AS PARENTS

East Newton R-VI School District wants you to know that upon request, we are required-in a timely manner- to provide you the following information:

- Whether the teacher has met state qualifications and licensing criteria for the grade levels and subject areas in which the teacher provides instruction.
- Whether the teacher is teaching under emergency or other provisional status through which state qualifications or licensing criteria have been waived.
- Whether your child is provided services by paraprofessionals and, if so, their qualifications.
- What baccalaureate degree major the teacher has and any other graduate certification or degree held by the teacher, and the field of discipline of the certification.

In addition to the information you may request, we are obliged to provide parents information on the achievement level of your child in each of the state academic assessments and a timely notice if your child has been assigned or has been taught for four or more consecutive weeks by a teacher who is not highly qualified.

ESSA COMPLAINT PROCEDURES A complaint is a formal allegation that a specific federal or state law or regulation has been violated, misapplied or misinterpreted by school district personnel.

Any parent or guardian, surrogate parent, teacher, administrator, school board member or other person directly involved with an activity, program or project operated under the general supervision of the Missouri Department of Elementary and Secondary Education may file a complaint. The complaint must be in writing and signed. It must provide specific details of the situation and indicate the law or regulation that is allegedly being violated, misapplied or misinterpreted.

The following steps are proper procedures to be followed by persons with questions or complaints regarding the operation of the school district:

- 1). Complaints on behalf of individual students should first be addressed to the teacher.
- 2). Unsettled matters from step 1 should be directed to the school Principal.
- 3). Unsettled matters from step 2 should be directed to the Superintendent.

If the matter cannot be settled satisfactorily by the Superintendent, it should be brought to the Board of Education. Questions and comments submitted to the Board Secretary in letter form will be brought to the attention of the entire School Board at a regularly scheduled meeting. If necessary, a hearing with the Board will be scheduled to resolve the complaint. However, the decision of the School Board shall be final except in the case of complaints concerning the administration of federal programs. To see the NCLB complaint procedure in its entirety see the East Newton website or the DESE website (dese.mo.gov).

In that case, the complainant may go to the Missouri Department of Elementary and Secondary Education and from there on to the United States Department of Education.

ATTENDANCE POLICIES

State Law: 167.031 Compulsory School Attendance” States the following, “A parent, guardian or other person in this state having charge, control or custody of a child between the ages of seven and sixteen years of age shall cause the child to attend regularly some public, private, parochial, parish, or home school or a combination of such schools not less than the entire school term of the school which the child attends....”

East Newton R-VI School Board Policy JEA, Compulsory Attendance Ages, states the following:

“Any child between the ages of five (5) and seven (7) who is enrolled in the East Newton R-VI School District shall attend the academic program on a regular basis, unless a written request to drop the child from the school rolls is made by the parent, guardian or other person having charge, control or custody of the child. Any child who is a resident of the school district and who is between the ages of seven (7) and 16 years shall attend a day school, public or private, as specified in state law. The Board of Education shall abide by the compulsory attendance laws of Missouri by requiring district children between the ages of seven (7) and 16 years to attend school full time, with the exception of those students who may be excused from full-time attendance by the superintendent. Individual petitions for any deviation from full-time attendance shall be considered by the superintendent on the merits of the individual student’s application. Any student age 16 years or older who drops out of school for any reason other than to attend another school, college or university or to enlist in the armed services, shall be reported to the state literacy hotline office.”

In an effort to establish an attendance policy, which will help the students develop good habits, meet the policies of the School Board and to abide with the state law the following guidelines are established:

1. Students should bring notes or parents should call for student absences or tardies. Notes from doctors are encouraged. Students missing more than ten days per semester will be required to present a note signed by a doctor for each absence. (Ask doctors to identify any special limitations to be observed and a time limit if any).
2. Acceptable reasons for absences from school are: personal illness, illness of a family member requiring the students help, death in the family and certain recognized religious holidays. All other absences, without prior approval from the principal will be considered unexcused. (PLEASE SEE #3 AND #4 BELOW AND ALSO THE "HOMEWORK AND MAKE-UP WORK POLICY ON THE FOLLOWING PAGE).
3. Contact with school is a **must** when a student is absent.
 - a. Every absent student will bring a note from parents listing the reason for absence(s). This note will be taken to the student's principal/secretary before admission to their classroom.
 - b. The school will attempt to contact the home of every absent student.
4. A letter will be sent to each home when the student has three (3), six (6), and ten (10) absences. Unexcused absences are any which are not listed in #2 above. An absence will also be considered unexcused if the student does not bring a note the next school day or if the office does not have contact with the parents by phone.
5. Parents or guardians, who in the judgment of the principal have allowed their children to be absent 10 times for insufficient reasons, may be referred to the county authorities. **The student may be retained when absences exceed 10 unexcused.**
6. Students are eligible to make up all work missed when given an excused absence. Credit will be given for work turned in on time; based on a day for every day absent.
7. Tardiness - if a student arrives late to school, they should report to the office for a late slip. Should a student be detained in the office, or by a teacher, the student should ask for a late slip from that person before going to the next class.

TRANSFER AND WITHDRAWAL

Students transferring to East Newton Schools must qualify for attendance by residence standards. Students shall submit a transcript and evidence of achievement in present grade level or grade last attended if transfer is during the summer. A student who is withdrawing from school should present a written withdrawal request from his/her parents. A check-out form will be used to clear the student of his/her obligations in each class. All textbooks and school materials must be returned. He/she must also clear through the office, and all fines and charges must be paid. Withdrawing students will be given a copy of their checkout form.

MAKE-UP WORK POLICY

Students with absences may make up work missed while absent within the following guidelines:

- A. Students will be entitled to make up work upon request to the teacher. The request for make-up work must be made prior to or on the day the student returns to class - not days or weeks later.
- B. Students will have one day to make up work for each day missed if the student misses only one day. If they miss more than one day they will usually be given three days to do make up work (principal’s discretion).
- C. Students who are absent on a test day will take the test on the day they return to class only if the test had been previously announced otherwise, it may be delayed one class day only.
- D. Students who are going to be absent for two or more days may request homework assignments through the principal's office. These may be picked up by the parents at the end of the school day or sent home by another student.

GRADE CARDS

Grade reports will be issued at the end of each 9-week period. Progress Reports will be issued every 3 weeks. Semester grades (18 weeks) are made a part of the student's permanent record. Students who have been irregular in attendance may receive an "I" (Incomplete) grade until the next marking period. An incomplete grade may also be given when a student has not completed required work. An "I" given for work not completed must be removed within one week after the quarter ends or the grade automatically becomes an "F". Parents are invited to discuss their child's progress with classroom teachers, counselor and principal.

EAST NEWTON R-VI PROMOTION AND RETENTION POLICY SUMMARY OF BOARD POLICY AS REVISED SPRING 2010

As stated in the East Newton R-VI School District's mission statement, "Better learning, Better lives". It is the district's responsibility to provide quality educational experiences that enable all students to acquire the knowledge, skills, and attitudes necessary to become healthy, responsible, and productive adults. We further believe that the foundation of our educational program is the development of competency in the basic fundamentals that are learned in the core classes of English Language Arts, Science, Math and Social Studies. At the same time we believe that for any student "to become responsible productive citizens", they must have success in a well-rounded educational program of complimentary classes.

In accordance with those beliefs, a student's promotion through the grade levels should be based on the mastery of the learning expected of them at each grade level. We have therefore established the following requirements for promotion and retention in the East Newton R-VI Elementary and Junior Highs.

ELEMENTARY:

Students will normally progress annually from grade to grade. Retentions may be considered when, in the judgment of the professional staff, it is in the best educational interest of the students involved. Parents/guardians will receive prior notification and explanation concerning the retention. However, the final decision will rest with the school administration.

EAST NEWTON R-VI SCHOOLS READING RETENTION POLICY

1. The purpose of promotion and retention is to provide maximum consideration for the long-range welfare of the student and to provide an opportunity for each student to progress through school according to his/her own needs and abilities.
2. It is expected that most students in school will be promoted annually from one grade level to another upon completion of satisfactory work, however, a student may be retained when his/her standards of achievement or social, mental, or physical development would not allow satisfactory progress in the next higher grade. Retention normally occurs before the student leaves the primary grades. For purposes of this policy, retention will be considered for students in **first through the eighth grade. All students will be assessed in the fall and spring to determine reading level.**
3. Parents/guardians who wish to appeal the decision for retention must first contact the building principal. If parents/guardians do not accept the decision at the building level, an appeal may be made in writing to the Superintendent. All appeals must be requested within two (2) weeks after the close of school.
4. **Students with reading ability levels more than one grade level below their current grade level will not be promoted to a higher grade level until the deficiency is removed.** This limitation on promotion does not apply to students receiving special education services, section 504 accommodations or who are Limited English Proficient students. Retention for these students will be considered only as a result of decisions made within the student's Individual Educational Plan or Individual Accommodation Plan and the team that formulates it. **Retention due to reading deficiency may only be required one (1) time for any student. Additionally, all students found to be more than one grade level below their current grade level will be written an individualized reading improvement plan to assist in remediation of the reading deficiency.**
5. Students who are retained may be promoted upon the satisfactory completion of additional hours of study outside the normal school day. In general, these additional hours of study would be offered during the summer session, but may be offered through after school

instruction. Satisfactory completion of the summer session or after school sessions would allow the student promotion into the next higher grade level. **However, in accordance with Missouri law, students in 4th grade who display more than one grade level deficiency will be required to attend summer school reading instruction (40 hour minimum) and assessed as to their reading level at the end of that session. If their reading level is below that of 3rd grade, they will be retained regardless of satisfactory completion of remedial program.**

6. In accordance with state law, if by the end of the 6th grade a student is not at least at the 5th grade level, a notation must be made in the permanent record of that student. The notation may be removed at any time the student is determined to be reading at their appropriate reading level.

Missouri school districts are compelled by state and federal statute along with the State Board of Education rule 5 CSR 20-200.210 to assess all students enrolled in school districts. The percent of students tested must meet or exceed the state standard. English Language Arts and Mathematics exams are given in grades 3-8. Science is given in grades 5 & 8.

STANDARDS OF CONDUCT

All students are expected to conduct themselves at all times in a manner that will contribute to the best interest of the school and not infringe on the rights of others. School staffs have the authority and the responsibility to take customary and reasonable measures to maintain proper control and discipline among students placed under their care and supervision. Such measures may include the use of reasonable force in the exercise of lawful authority to restrain or correct students and maintain order.

CITIZENSHIP CONTRACT

In order to maintain quality work and grades and positive citizenship, the following contract has been implemented to assure student success at school. Students who are assigned to Saturday school must be in the high school lobby before 8:00 a.m. on the Saturday they are assigned. Students will remain in Saturday school with an administrator until 12:00 p.m. A break will be given to the students at 10:00 a.m., at which time they may use the restroom and get a drink.

Failure to report to Saturday school will result in out-of-school suspension on the next regular school day. The student will still be required to make-up the original Saturday school that was assigned.

Students who are assigned Saturday school are ineligible to participate in or attend all activities of the school district (all campuses) once Saturday school has been assigned. Students will remain ineligible until they complete the next full school day, after they serve the Saturday school. This means students will become eligible to participate on the following Monday.

OUT OF SCHOOL SUSPENSION

Out of school suspension (OSS) is utilized as a consequence for inappropriate student action as it relates to violations of the East Newton R-VI 5-8 School Discipline Code or violations of state, local or federal law. The administration will exclude a student from school because of a violation of school rules and regulations, conduct which materially or substantially disrupts the rights of others to an education, conduct which endangers the student, other students or the property of the school, or poses a threat to self or others as evidenced by prior conduct. These actions will be taken in accordance with due process and with due regard for the welfare of both the student and the school.

The junior high principal will tell the student orally and in writing the misconduct he or she is accused of and the facts that form the basis of the proposed suspension. If the student denies the accusation either orally or in writing, he/she will be given the opportunity to present his/her version of the incident. If OSS is assigned for the inappropriate behavior, an attempt will be immediately made to notify the student's parents by phone and in writing.

Principals may suspend students up to ten (10) school days while the superintendent may suspend a student for up to 180 days. A student's OSS begins when he/she is assigned the punishment. Students in OSS are not allowed to attend any school functions, events or activities until the day after their OSS has ended. Students who are suspended for certain acts cannot be within 1,000 feet of any public school under certain

conditions. If a student's OSS ends on a Friday, they can't be at school or attend school activities until the following Monday. Students will be required to make up all missed work and they will receive a grade on the work.

The District may also disclose information under the provisions of FERPA, which allows disclosure without prior written consent, or items of directory information of which you have not refused to permit disclosure.

LOCKS AND LOCKERS

Lock and locker assignments are made through a designated teacher or through the office. Forms for assignments will be provided through the principal's office. Locks are available to all students for a fee of \$5.00. The fee will be returned when the lock is returned in good condition to the office at the end of the school year or upon withdrawal from the school district. Only school-issued locks may be used on school lockers. It should be noted that lockers are school property and subject to search at any time. It should also be noted that with the exception of a student's lunch, there should never be food or drink in the lockers. **No food or drink should ever be open in the locker.**

LOST AND FOUND

Students are responsible for the care of their own personal property. They should also be considerate of property belonging to others. If articles belonging to others are found, turn them in to the office. If you lose anything, inquire at the office. Do not bring money or valuable articles to school. Bring only what you need.

USE OF TELEPHONES

Students will not be excused from class to make telephone calls. Students will only be called from class in case of emergency. Other important messages will be taken by the school secretary and forwarded to the student. The office phone is for school business. It is not for use by students. Student use of these phones is highly discouraged.

VISITORS

All visitors to the buildings and persons wishing to talk with a student, regardless of the reason, must go to the principal's office for permission before proceeding. All visitors must be cleared through the administrative office, and they will either be escorted to the room by office personnel or obtain a valid visitors pass. Teachers shall not allow visitors in their classes without clearance.

No visitors are permitted to disturb class work unless brought to a classroom by a member of the administration.

At no time will student-visitors be allowed to visit classes.

PARENT-TEACHER ORGANIZATIONS

Each campus has an active parent organization. Meeting times will be sent home with your child, placed on the district website or you can call the school office for more information.

SCHOOL CANCELLATION

If school should be closed due to weather or other conditions, announcements will be made on major radio and television stations in this area. Parents may also be notified through School Messenger, an email, a text or view the announcement on the EN website and the EN District Twitter account. Students and parents are requested to check for these announcements rather than call the school. The school lines need to be kept open for emergency purposes.

If school is unexpectedly dismissed early, parents will be notified by the same media as listed above. Parents should have arrangements made at the beginning of the year for this emergency type situation. These arrangements should be discussed with the students by the parents so the students will know what is expected of them.

LIBRARY MEDIA CENTER

The library is provided for study, research, reading and classroom instruction. It is therefore necessary that a quiet and orderly atmosphere be maintained at all times. Conduct should be such that no person interferes with or infringes upon the rights of others.

Students are permitted and encouraged to check out library materials. The school librarians establish loan guidelines. Students are expected to pay for lost or damaged materials and fines assessed. It is preferred that restitution be made by students at the elementary level before transferring to the high school. Any portion left unpaid will remain on the student's record until graduation at which time all fines must be paid.

The librarians are in charge of setting up student access to the East Newton School District network. Students should contact the librarian if there are issues with their district computer access.

The library is a multi-use facility for both students and faculty and the goal is to promote lifelong learning in a variety of ways.

LUNCH PRICES WILL BE ANNOUNCED AT THE BEGINNING OF EACH SCHOOL YEAR.

EMERGENCY DRILLS
