Masters = 2,000    Specialist = **5,000**    Doctorate = 10,000

To Figure: Highlighted in **GRAY**

Step 1: Begin with the base salary (46,355 from the bottom of the Master's column on the teacher salary schedule) then add the amount that is required to fill the contract (per month amount)

Example: 12 month employee would be 46,355 (base salary) + 13,905 (3 extra months) = 60,260

Step 2: Multiply the above amount by the correct indexed figure on the chart

Example: 60,260 x 1.18 (HS principal 1<sup>st</sup> year) = 71,106.8

Step 3: Add to the figure the degree earned

Example: 71,106.8 + 5,000 = 76,106
